

FOR IMMEDIATE RELEASE

RIGMASTER APPOINTS NEW PRESIDENT

Toronto, Ontario, August 12, 2008 - RigMaster Power is pleased to announce that Tori M. Harper has been appointed President for the RigMaster Power group of companies which includes RigMaster Power Corp. in Canada and its U.S. counterpart RigMaster Power Inc.

Ms. Harper most recently served as Executive Director of Harper Group Inc., the parent company to RigMaster Power Corp/Inc. and other affiliate companies. In this capacity, Ms. Harper was actively involved in major acquisitions and business development.

With a Bachelor of Commerce and an MBA, Ms. Harper brings a wealth of business knowledge and industry experience to her new position where she will oversee the direction of the company; placing a sharp focus on strategic growth initiatives.

RigMaster Power Corp. is a long-standing supplier of premium stand-alone APU's to the Transportation Industry. It manufactures and distributes the RigMaster Power APU in North America through an extensive network of over 200 independent sales and service locations. Operating as RigMaster Power Corp. in Canada and RigMaster Power Inc. in the U.S., RigMaster's corporate offices are located at 10 Diesel Drive, with administrative offices and manufacturing facilities in Toronto, Canada and Olathe, Kansas. Information on RigMaster can be found at www.rigmasterpower.com.
