

FOR IMMEDIATE RELEASE

September 25, 2006

---

RigMaster Power Corp is pleased to announce the appointment of Scott Shaw to the newly created position of Customer Support Manager, North America. In this role, Shaw's focus will be on the adoption and expansion of the company's customer support and quality assurance initiatives.

The new appointment is in response to RigMaster's continued growth and follows closely behind its expansion into a second production facility based in Olathe, KS. "We have spent years developing the product and have gained the reputation as a quality APU manufacturer," remarks RigMaster General Manager, Gary Lisson. "Focusing on improving customer support and strengthening our dealers is critical to RigMaster's business objectives."

Scott brings to the organization over 25 years of experience in the Customer Support field. Lisson adds; "Shaw's strong leadership skills and drive to deliver service excellence will go a long way in taking RigMaster to the next level of growth and sustainability in the market."

Scott assumes his new role immediately and is looking forward to supporting the RigMaster product line and the challenges of his newly created role.
