Re: T4-6K & T4-6K-H units that were produced with a Markon generator can now accept the new Linz Generator. This new kit has been made available since the Markon generator is no longer available.

Kohler Generator Kits are now available for unit models T4-6K & T4-6K-H that were originally built with the Markon Generator. When you are replacing the Markon generator, please use the below kit as a direct replacement.

***** Upgrade Kit Part# KT7-029K-U (FIG.1) *****

NOTE: THIS KIT IS ONLY FOR APU's WITH KOHLER ENGINES (T4-6K & T4-6K-H)
