RIGMASTER POWER HEALTH & SAFETY POLICY

RIGMASTER POWER is committed to the protection of its employees and property from accidental injury or loss.

In fulfilling this commitment, we will provide and maintain a safe and healthful work environment as indicated by acceptable industry practices and compliance with legislative requirements. We will strive to eliminate any foreseeable hazards which may result in personal injuries or illnesses or loss to property.

We believe accidental injury and loss can be controlled through good management in combination with active employee involvement. Accident prevention is the direct responsibility of all, both managers and employees alike.

All employees, including all levels of management, must comply with **RIGMASTER POWER'S** company loss prevention requirements as they apply to the design, operation and maintenance of facilities and equipment. All employees will perform their jobs properly in accordance with established procedures and safety policies.

Safety requires a team effort and a personal commitment from all to treat loss prevention as a priority.
